

Tel Aviv

Tel Aviv is a city on Israel's Mediterranean coast characterized by its austere 1930s Bauhaus buildings, thousands of which are located in the White City architectural area. Museums include the Beit Hatfutsot, whose multimedia exhibits illustrate the history of Jewish communities around the world. The Eretz Israel Museum covers the country's archeology, folklore and handicrafts and features excavations at the site of the ruins dating back to the 12th century BC.
